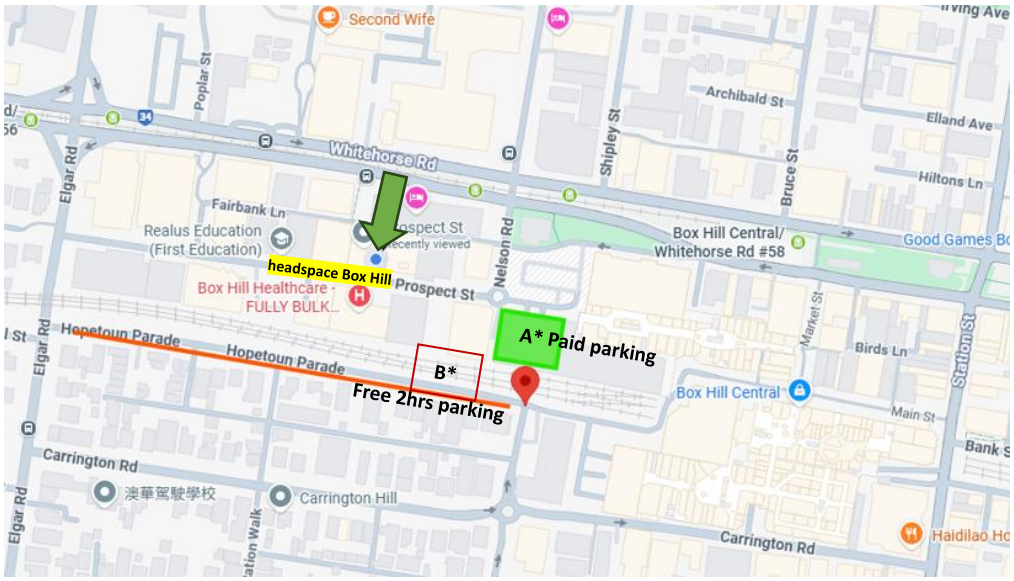
Parking around headspace Box Hill



If you are coming to headspace Box Hill for an appointment and require parking, we highly suggest you park at **location A*** on the map above. It is a multilevel undercover car park attached to Box Hill Central. **It's $1 for the first hour and $2 for the first 2 hours.** It's a short *2- 3 mins walk* from us.

There are parking spots right opposite our centre. However, it's restricted to 1-hour parking, and it's $3.2 with frequent visits from parking inspectors. As our sessions can run between 60 and 90 minutes, **we highly recommend parking at Box Hill Central to avoid any parking fines.**

As noted above, we have also listed one **free parking space on Hopetoun Parade behind the railways (marked as location B*)**. It is a free 2-hour parking. If you choose to park here, it will take you approximately *10 – 15 mins to walk to our centre*. Please take this into consideration when attending your appointment.
