# headspace Family & Friends' Satisfaction Survey

We would love to hear from family & friends of young people who are currently accessing or have accessed our headspace services.

Your feedback will help us ensure we make our service better for family and friends supporting young people attending headspace.

This survey is for those who support a young people attending headspace e.g. parents, family, and friends.

**To access the survey, please use the QR code below  
(using your mobile phone camera)**
