National Youth Mental Health Foundation

together we can improve **vital mental health services** for young people and their families

headspace offers
dedicated mental health
services for young people
aged 12-25

6M+ services

have been provided to
young people and their
families since inception

**“I really valued being able to
speak freely and anonymously
without the risk of judgement.
Everyone was there to support
one another and get support -
very inclusive and welcoming.”**
