About You:

What art, craft and technology skills do you currently have?

What art, craft and or technology skills would you like to learn?

What is your idea for an interactive craft and/or artwork? Please describe your idea below. You can visit www.headspace.org.au/bathurst for inspiration.

You will need to submit and drawing or model that showcases your idea. Please draw your plans in the space below. You can include extra drawings and plans if you need more space. You can also submit a model of your idea but make sure to describe how you're going to incorporate technology into the design.

Please return this completed form to headspace Bathurst. You can drop it into reception or give us a call on 6338 1100 to arrange for collection from your school. If you have any enquiries please contact Karen Golland on 6338 1100 or email karen.golland@marathonhealth.com.au
