Please ensure all sections are completed and legible.

Return via email headspace.brokenhill@flourishaustralia.org.au or fax: **(08) 8450 3324**

Once a referral form has been received, a Youth Access Team Clinician will make contact with you within 3 working days. Please note that receipt of the referral does not indicate acceptance to the headspace service. The suitability of the referral will be determined following review by our team. Please call to ensure your referral has been received and to discuss anything further. We are happy for you to make contact and discuss service options as sometimes our services are not always the best option for a young person or family. If you have any queries about your referral, please contact us on **02 9393 9699**.

headspace Referral Criteria:

headspace is a voluntary service for young people aged between 12 and 25. We can only connect with Young People if they have consented to the referral and are in this age group.

Is the Young Person aged 12 to 25? Yes No

Has the Young Person consented to this referral? Yes No

If under 16 years, is a parent/guardian aware of the referral? Yes No

These are some of the considerations to determine suitability for a referral:

- Young Person is presenting with mild to moderate symptoms
- Seeking early intervention support
- Requires approximately 12 months of treatment
- Is not at immediate risk of harm to self or others

If a Young Person requires urgent assistance please note:

headspace Broken Hill is NOT an acute mental health service.

We are unable to support severe mental health concerns or crisis referrals.

We suggest you please call the Mental Health Line on 1800 011 511 if the Young Person requires urgent mental health assistance. Alternatively, direct the Young Person to the Emergency Department of their nearest hospital or call 000.

Please complete this form with as much information as possible and provide any supporting clinical documentation available as this will assist our team in our assessment and determining suitability. If the referral does not have adequate information, please be aware that we may need to contact you for further information prior to proceeding with the referral.

We are constantly working on improving our service to young people and would appreciate your feedback. We'd love to hear about your experience through our quick survey:
