

Parents and Friends Info session

headspace Broome invites Parents, family and friends of young people to come and check out the space, and have a chat about ways that we can provide support to our young people

Thanks to Vicki at Parenting Connection WA we have created this opportunity to come together and have a chat about what we can offer at the centre, how to access the service, and how we can look after ourselves as parents.

**Tuesday 01 April 2025
530pm-630pm**

Centre tour, meet and greet with staff, learn about how young people can access support in the centre, online supports and Q and A with some of the team.

We are located on 1/38 Frederick Street and our phone number is 91944500.

Some light refreshments provided
