Centre Update

What's been happening at headspace Edinburgh North over the last month?

Community Connections

headspace Edinburgh North is continuing to connect with the community by delivering presentations within our local community and schools, attending local events, and running programs and training for young people, parents/ carers and service providers.

As usual headspace Edinburgh North have been busy on their feet out and about in the community.

With the start of the year well and truly underway, with school and University going back and lots of events going on in and around Adelaide including the Adelaide Fringe and Uni O Weeks, headspace has been busy upskilling people on what we do.

headspace attended two of Salisbury's Fringe events in their Secret Garden including the family fun night and the Movie night.

We also attended Adelaide biggest water flight H2O Explosion with our friends from headspace Murray Bridge and headspace Woodville.

Upcoming Events:

- Closing the Gap Day— 16th March
- Young Leaders Day—21st March
- St Patricks PASS!—24th March
- Evocca College PASS! - 30th March

For more information on any of our upcoming events or if your school or community group is interested in headspace coming out to present or having a stall at a community event please contact Georgie Brown at the office on 08 7073 7080 or fill out the online form at <https://headspace.typeform.com/to/XXKMRR>

Staff Profile

Name: Rebecca Shepley

Position: Mental Health Support Officer

What do you enjoy about working at headspace? I enjoy working with the staff of headspace who project positive vibes and energy into the community and youth.

Who would you most like to meet? Myself in 5 years time.

If you could have any super power what would you have? Read minds!

One word to describe yourself: Conscientious

Favourite things to do: Spending time with my puppy Chester, and family and friends. Taking Chester to the beach and taking time from Uni to relax. Listening to music to help unwind my thoughts when they get crowded.

Rainbow Mates

Rainbow Mates is a group aimed at young females who are bisexual/same-sex attracted or are questioning their sexuality, and young people who identify as transgender or gender diverse between the ages of 12-25.

The group meets in Salisbury at Twelve25 Youth Enterprise Centre on a fortnightly basis afterhours. A light dinner is also provided with refreshments. The purpose of the group is to provide young people with a safe and respectful place to explore and express their identity free from judgment and stigma.

The content is driven by the needs of the participants which can include areas such as guest speakers discussing various health related topics, community event planning, discussing current events and media content as well as providing a generalised supportive environment and relaxed atmosphere.

For more information, please contact Keira or Georgie at the headspace office on **08 7073 7080**.

TWELVE 25
SALISBURY YOUTH ENTERPRISE CENTRE

Come along to Rainbow Mates!

headsace Edinburgh North and Salisbury Twelve25 are working together to provide young people a safe space to talk about sexuality and gender, without fear of being judged or criticised.

Contact headsace on 7073 7080 for information regarding times and dates or for a chat about coming along!

This group is a joint project between Twelve25 Salisbury Youth Enterprise and headsace Edinburgh North

Salisbury Secret Garden

As part of the 2016 Fringe Festival Salisbury Council held their own Garden of Unearthly Delights called the Secret Garden. The garden was open from the 18th February till 28th February with a variety of acts and shows around Salisbury. Headspace was lucky to attend 2 of the events in the garden, including the Family fun night and the Movie night. Both events were well attend by the local community and were lots of fun. The Family night consisted of few circus acts, sand pit, mega maze, croquet and arts and crafts. The Movie night was a showing of the movie Turbo. This night was highly successful with lots of the community coming along.

H2O Explosion

headspace Edinburgh North along with friends from Woodville and Murray Bridge volunteered at the H2O Explosion event in Glenelg. The event was run by Active8Change an organisation that's is dedicated to organising a rang of different active events to raise money for a variety of different charities. H2O Explosion was Adelaide's biggest water fight for all ages. The event was held at Colley Reserve in Glenelg with loads of different activities throughout the night including a mass water fight, Foam dance party, giant inflatables and lots of water balloons.

Headspace staff and YAC members had an awesome time helping out and getting drenched. If you were there on the night and what to see some photos or would like more information about Activate8Change head to their website <http://www.active8change.com.au/>

Resilient Futures

headspace Edinburgh North is proud and excited to be partnering with The South Australian Health and Medical Research Institute (SAHMRI) to deliver the 'Resilient Futures' resilience based mentoring program to young people in the Northern region. The 'Resilient Futures' program will measure and build resilience and wellbeing amongst 850 disadvantaged young people, and our team commenced its involvement in the program by attending 5 days of intensive training provided by SAHMRI and TechWerks in February.

The training content included Introduction to Resilience, Resilient Thinking, Purpose and Meaning Making, and Social Connections, and provided great knowledge and skills about how to build resilience in young people.

We hope to be able to provide further information about our 'roll out' of the program in the coming months.

Full day workshop Screening and engaging young people early

headspace Edinburgh North is proud to present a 1 day workshop focussed on the early detection of emerging mental health problems in young people and building skills to engage with young people experiencing mental health and other psychosocial difficulties. Learning objectives include providing participants with:

- An understanding of the biopsychosocial development of young people
- An understanding of barriers that young people face in accessing health care
- A broad knowledge of effective psychosocial and biomedical interventions relevant to young people with mental health and/or substance use issues and their carers
- An understanding of medico-legal issues relevant to working with young people and their carers, including confidentiality and consent
- An ability to communicate effectively with young people and carers in order to build rapport, screen for risk and protective factors, and recommend appropriate intervention or referrals
- An ability to perform a health risk screen using the headspace Psychosocial Screening Framework (HEADSS)
- An ability to assess the need for ongoing monitoring or a more intensive intervention
- An ability to provide basic health advice regarding mental health, substance use and related issues

Date: Friday 1st April, 2016 9 am—5:00 pm

Parents and Carers

Social Media Storm

Wednesday 23rd March 7:15-8:00pm
Holden Hill Community Centre
32-40 Bentley Drive, Holden Hill

This open and interactive session will educate parents about the complexities of the digital world both good and bad, plus the social and health issues that online youth experience by highlighting core issues of bullying, popularity and status, depression and social anxiety, risk-taking and sexual development.

Suitable for anyone over 16 years.

Stomping Ants

Wednesday 23rd March 6:00-7:00pm
Holden Hill Community Centre
32-40 Bentley Drive, Holden Hill

Ever opened a block of chocolate and thought "I have ruined my diet so I may as well eat the whole thing now!" Or have you been waiting for that job offer, only to receive a "thanks but no thanks" letter and written your entire future career off on the radar? What about watching on the sidelines of others lives thinking "why are they always the lucky ones?".

This experience is commonly known as automatic negative thoughts - ANTS. The good news is that this workshop will bring an awareness of your own personal ANTS and the "how to" of creating an entirely new way of thinking.

Suitable for anyone over 16 years.

Booking are essential for both these workshops. Please visit www.teatreegully.sa.gov.au or email ccbookings@cttg.sa.gov.au or phone 08 8397 7444

Youth Advisory Committee (YAC)

Our Youth Advisory Council (YAC) is a group of young people aged 12-25, who are actively involved with **headspace** Edinburgh North in a number of ways. Young people on the YAC help make **headspace** Edinburgh North more youth friendly, through having a say in how our center looks and feels, as well as our community awareness projects and center promotions.

In addition to having a great time and meeting new friends, young people will be rewarded for their involvement wherever possible and are provided with training opportunities to expand their knowledge and skills. If you're interested in joining the YAC, or have a question please contact Trephina Gartley, headspace Edinburgh North Youth Worker on 7073 7080 or tgartley@northernhealth.net.
