### Important information regarding your referral, please read:

- **headspace** Gladstone is an early intervention service for young people between the ages of 12 to 25.
- We can only engage with young people who have provided consent to the referral.
- If the young person is experiencing high levels of distress which may result in harm to themselves or others, or is at high or acute risk of suicide, please refer them directly to the Emergency Department or contact emergency services on 000 as **headspace** Gladstone is **not** a crisis service or equipped to manage these types of emergencies.
- Please note that receipt of the referral does **not** indicate acceptance to the **headspace** Gladstone services. Suitability of the referral will be determined following assessment with the young person.
- Please provide and attach as much information as possible as it ensures the best quality of care, outcome and if required referral, is afforded to the young person being referred.
- Referrals from QLD Health require a copy of ALL relevant collateral information (including assessment, discharge summaries and recovery documents) prior to the referral being processed.
- Please note we are a voluntary service.
