

LGBTIQ+ PATHWAYS TO RESILIENCE

THERAPEUTIC GROUP

Family Access Network is starting a new group to connect and support LGBTIQ+ young people (aged 15-25) who have experienced family violence.

During COVID-19, this group will meet in a private online space, with generalised content, to maintain member privacy and safety.

To join the group, or for more information please contact Jordi at FAN on 9890 2673 or jkerr@fan.org.au
