

# It's time we talked: About pornography, Autism and teenagers

Free  
Event

This session supports you as a parent to understand pornography's prevalence and influence and how you can support your child to navigate respectful consenting and safe sexuality and relationships in this new online world.

This session brings together two experts:

Maree Crabbe  
Film-maker, writer and Director of the violence prevention project "It's Time We Talked".

Kathleen Davey  
Clinical Psychologist with clinical and forensic expertise in working with teens and adults on the Autism spectrum.

Date: Tuesday 13th October  
6.30pm-8.30pm
