Why Complain?

Uniting Communities is committed to the provision of high quality service. If you are dissatisfied with a decision that affects you, or you have a complaint about a staff member, or the service we encourage you to provide feedback or make a complaint.

Complaints are an opportunity to:

- provide us with feedback
- resolve any concerns that you may have
- help us improve our service

How do I make a complaint?

Make a complaint as soon as possible after the problem occurs.

- think about what you would like done to put things right.
- if your complaint is with a staff member you may wish to speak to them directly.
- if you do not feel comfortable doing this, or the complaint is not about a staff member, contact the Centre Manager.
- if you are not satisfied with the outcome, contact the Senior Manager of Social Inclusion.

Will this affect the service I receive?

Making a complaint will not affect the service that you receive from us. We are committed to ensuring that we will manage your complaint fairly, respectfully and in a timely manner.
