Accessibility

headspace Mount Gambier has disability access and communication aids to provide access and services for all people, regardless of their disability.

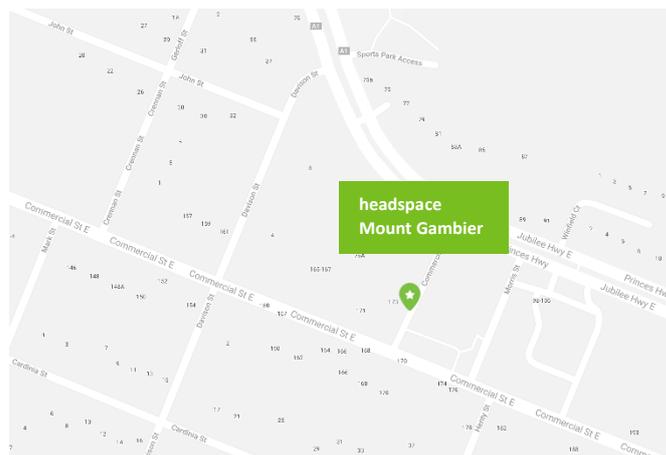

The centre was designed with input from young people to ensure all spaces are youth friendly and welcoming.

Young people can drop in to grab a snack or a drink or say hi any time within our opening hours.

We have a bike rack in the outdoor seating area on the northern side of our building for the convenience of young people who attend our service and we are 400 metres from the Rail Lands cycling and walking track.

Our mural and outdoor seating area for people to enjoy the beautiful Mount Gambier weather.
