

Come & work with us!

If you have a passion for making a difference in the lives of young people then we want to hear from you.

Private Allied Health Practitioners - Psychologists, Social Workers, Occupational Therapist

If you are a Private Allied Health Practitioner eligible for MBS registration, interested in seeking one to three day clinics & have experience working with young people then we want to hear from you!

We provide reception services, receive the referrals from local GP's, make all the client bookings and offer use of our counselling rooms. You will work in a team environment with other experienced Mental Health professionals. Practitioners are welcome to attend our in-house professional development sessions & peer supervision opportunities.

For further information contact Ms Suzanne Fuzzard, Clinical Lead - headspace Murray Bridge, Tel. 8531 2122 email suzannef@mmgpn.org.au
