

# dungeons & dragons

Whether you're an experienced player or totally new to the game, headspace D&D is an awesome way to get creative, make friends, and have fun.

## **what?**

A closed 6-week campaign, hosted by two of our staff members.

## **when?**

4pm to 6:30pm, fortnightly  
Tuesdays or Thursdays

## **who?**

Ages 12-25  
All experience levels

## **where?**

headspace Osborne Park

## **character creation sessions**

Before each campaign starts, we like to do a character creation session. You can meet the DM and other players, ask questions, and get some help or inspiration in creating your character

The character creation sessions aren't mandatory, but we'd prefer you came along so everyone can get to know each other better. You can also sign up only for the character creation session if you're still unsure, or if you just really love creating D&D characters!

# frequently asked questions

## **I have a pre-existing character. Can I use them?**

Yes! However, we may ask you to make adjustments to the character's stats to keep it fair.

## **I've never played before. Can I still join?**

Absolutely! The game can be a little confusing for newcomers, but our staff are always happy to help you learn as you go. Just make sure to let us know when you sign up, and to come to at least one of the Character Creation Sessions.

## **Do I need to bring anything?**

You don't have to bring anything. However, if you have your own dice or any other fun bits and bobs, you're welcome to!

## **Can I bring a friend?**

Of course! They will have to sign up as well.

## **Do I have to be a headspace client?**

Nope, anyone 12-25 can join.

## **How big are the groups?**

The groups are between 5 and 8 people. We try to group similar ages, experience levels, and loudness levels together, so that everyone has the best experience possible!

## **Do I have to come to every session?**

Ideally, yes. The campaign will tell an overarching story, so you should come to as many campaigns as possible. If you can't make it to a campaign, just give us a ring to let us know.

# ready to sign up?

To sign up, scan the QR code and fill out the form, or reach out to us via phone or email.

Because campaigns are closed and run for twelve to eighteen weeks, you may have to wait some time for the next one to start. We will contact you when the next campaign is coming up, but feel free to reach out to check the estimated date.
