headspace Early Psychosis is a comprehensive, early intervention mental health service for young people experiencing psychosis or who are at Ultra-High Risk (UHR) of psychosis.

Please check the referral criteria below.

FOR TERTIARY SERVICES

You may send your own assessments, as well as risk assessments, in lieu of this form. Please note as we are a non-government organisation, we do not have access to government records, including PSOLIS. Please call if you have any queries.

FOR YOUNG PEOPLE / FAMILIES / OTHER REFERRERS

Use of this referral form is optional. Referral may be made by letter, email, phone, or walk-in to a headspace Early Psychosis centre. It is okay if you can't fill out the whole form, just give as much information as you can. If you're not sure of anything, give us a call.

INCLUSION CRITERIA

- Aged 12-25 (inclusive) at time of referral.
- Diagnosis of psychosis or Ultra-High Risk* of psychosis..
- Within catchment areas (North and East Metropolitan Perth).

EXCLUSION CRITERIA

- More than 24 months of medical treatment for psychosis by another service/practitioner.
- Symptoms only present when acutely intoxicated.
- More likely to benefit from another service or program.

*Ultra-High Risk

Decline in functioning or persistent low functioning in combination with at least one of the following:

- 1. Attenuated psychotic symptoms.
- 2. Brief limited intermittent psychotic symptoms (BLIPS).
- 3. Trait vulnerability for psychotic illness (schizotypal personality disorder or a family history of psychosis).
