Grab a quality coffee and get your day started with a meander around the Maker's Market where you'll find an array of local art and craft.

Fill your bag with crisp fresh vegetables, fruits and primary produce in the Farmer's Markets and sample a selection of gourmet jams, honey, bush foods and spices. You can stock up on local free range eggs, smoked salmon, oysters, pork and beef.

In the Restaurant Precinct you can take your tastebuds on a trip around the world with Thai, Spanish, German, Moroccan and Indian influences or sample something a little different like a sheep milk yoghurt or buffalo pie. Why not finish it off with a fruity soft serve, local fudge or handmade chocolate.
