Navigating headspace Sunshine

headspace Sunshine is a **safe space** that **welcomes**
and supports young people from **all cultural and**
linguistic backgrounds, sexual and gender
orientations, religions, disabilities, and life
experiences.

headspace Sunshine acknowledges the Wurundjeri Woi-Wurrung people, the owners of the land on which we are situated and pay our respects to Elders past, present and emerging.

We acknowledge and respect Aboriginal people's continuing relationship with the land and acknowledge that **sovereignty was never ceded**. We would like to extend this respect to any First Nations People visiting headspace Sunshine.

Notes before your first appointment

- headspace Sunshine welcomes guide dogs and therapy animals
- Please feel free to bring along any fidgets or sensory items
- You're welcome to bring a support person with you to your appointment

What if I need an interpreter?

Services are provided in English, however interpreters for other languages (including signed) can be arranged prior to your appointment at no cost.

Toilets

- Toilets are located on the ground floor, to the right of the stairs
- There are all gender, disabled, female and male toilets available

(Disabled toilets are also available upstairs if needed)

Getting to headspace via lift

1. Enter through the sliding doors
2. Upon entering the building, make a left
3. Go through the Youth Junction Sliding doors
4. Continue past the reception desk, until you reach the elevator

Getting to headspace via lift

To access the lift

5. Press the call button, then enter and press the button for level 2
6. Once you have arrived at level 2, exit left from the lift (1), then immediately turn right
7. Press the doorbell on your left, and someone will let you in

Sensory Notes

- Light levels dependent on weather
- Can be quite noisy, loud music, people talking loudly and shouting
- Elevator is quite loud and shudders

Getting to headspace via stairs

1. Enter through the sliding doors
2. Upon entering the building, make a right
3. Go up the staircase, and push open the door
4. Enter reception

Vision Impaired Information

Those who are visually impaired please speak to reception prior to your in-person appointment.

Reception can help organise for the worker who you are booked in with to meet you downstairs, if you are planning on attending the appointment alone and are unable to travel upstairs or via the lift by yourself.

Reception

What to do at reception

- As you come up the stairs, the door will make a clicking sound as you open it.
- Walk up the front desk on the right, and let the receptionist know who you are here to see
- Please see next slide about information on HAPI survey and CIF form.
- Once everything is signed and the survey is completed and passed back to reception, please take a seat anywhere, and wait for your clinician to come out and greet you

This is where
headspace's
receptionist's sit.

Receptionist desk is approx. 1m tall

Sensory Notes

- Music will always be playing in reception at a low volume

HAPI survey

The HAPI survey is an online survey you will have to complete every time you engage with our services.

So please come a few minutes earlier than your scheduled time, if possible, to complete this.

The first time you attend headspace the survey will be longer than the ones you will complete your second or third time at headspace.

A Medicare card is not needed for every pathway. Although it can be helpful if you have access to one.

CIF form

A CIF form is a Client Information form that just gives access to any contact information if needed and signed consent about Privacy, confidentiality and Duty of care on the back of the form. You will only need to sign this once and then anytime it expires as well. Please also let a staff member if any information has changed.

If you are attending an appointment with our GP there may be other forms that need to be filled as well.

(These are some of the questions that are asked on the form)
