## Mental Health Clinician Full Time - headspace Whyalla

*headspace is the National Youth Mental Health Foundation providing early intervention mental health services to 12-25 year olds, along with assistance in promoting young peoples' wellbeing. This covers four core areas: mental health, physical health, work and study support and alcohol and other drug services.*

### About the role:

- Be able to provide client-centred, goal oriented mental health interventions to young people and their families.
- Be able to work with diverse client groups and provide high quality and innovative cultural, gender and sexuality appropriate mental health support .
- Deliver quality mental health care, working collaboratively with the multidisciplinary headspace team to enhance the mental health outcomes of young people.
- Have the ability to adapt to a fast-paced work environment in our growing organisation.

### Qualifications:

- The role is applicable to suitably experienced and qualified Psychologists, Social Workers and Occupational Therapists trained in Mental Health, or Mental Health Nurses.
- Current and full registration with appropriate registration authority (AHPRA or AASW)
- Possess a minimum 2 years supervised experience in the area of mental health.
- 4 + 2 Psychology Internship applicants will be considered
- National Police Check
- Department of Human Services Child-Related Employment and Disability Screenings

### What's in it for you?

- A supportive working environment
- A competitive salary in recognition of your qualifications and experience
- 5 weeks annual leave
- Generous salary packaging options to increase your take home pay

**Applications close on 29<sup>th</sup> January 2021. Submit your application early, we reserve the right to interview and select candidate prior to closing date.**
