## Complex Care Mental Health Clinician headspace Whyalla - Part Time (0.5FTE)

headspace is the National Youth Mental Health Foundation providing early intervention mental health services to 12-25 year olds, along with assistance in promoting young peoples' wellbeing. This covers four core areas: mental health, physical health, work and study support and alcohol and other drug services.

### About the role:

- You will work collaboratively in a recovery-orientated therapeutic and care coordination model to support young people experiencing complex mental ill-health
- You will work with other stakeholders and across health systems to support people with complex needs to meet their care needs
- You will provide evidence based psychological therapies to clients to achieve their therapeutic goals
- You will be supported by a diverse and experienced team to develop your clinical knowledge and skills

**Applications close on 10/02/2023.**

**Applications are reviewed as they come,  
so do not wait for the closing date, apply today!**

*(To support our shortlisting process, you will be required to complete a video component of the application)*

### About You:

- The role is applicable to suitably experienced and qualified Psychologists, Social Workers and Occupational Therapists trained in Mental Health, or Mental Health Nurses.
- Current and full registration with appropriate registration authority (AHPRA or AASW)
- Two years of mental health experience preferred
- National Police Check, Department of Human Services Child-Related Employment Screening

### What's in it for you?

- A supportive working environment
- A competitive salary in recognition of your qualifications and experience
- 5 weeks annual leave
- Generous salary packaging options to increase your take home pay

If you wish to apply directly for the position, visit our website or [APPLY HERE](#) and **NOT via SEEK.**

For more information, please contact **Sinead Hollingworth-Hughes, Clinical Co-Ordinator on 8641 4332 or 0439 831 199.**
