

# principal coaching and support services

**Supporting Queensland Principals,  
Heads of Campus and Deputy  
Principals to recover and thrive  
after a critical incident.**

In partnership with Queensland  
Department of Education & Training

# principal coaching and support services

A support service developed by headspace specifically for Queensland State School Principals, Heads of Campus and Deputy Principals who have experienced a school-based trauma or critical incident, or are dealing with complex situations that arise in their school community. This service aims to support their mental wellbeing and promote recovery during an incident and in the longer term.

**For more information call  
0476 839 363 or 0455 935 808**

headspace National Youth Mental Health Foundation is  
funded by the Australian Government Department of Health.
